Hello fellow Key Clubbers! Big thanks to all who have been participating in the volunteering events such as Apple Fest, Artful Bowls, And Minooka Mash. They've all been such a huge success! You've all done a great job with representing Waukesha South's Key Club. There are tons of new volunteering opportunities coming up in the near future so stay tuned to hear more about those.

### **T-shirts!!**

If you would like to buy a t-shirt bring in \$11.75 and give it to Mr. Hartling or to this Friday's meeting. If you do not have the money you can bring it Monday. It would be great to bring exact change in order to save us a lot of time. I hope you all buy a t-shirt so you can show your support and represent Key Club!

### **Hours**

If you have not gotten a volunteer hour log yet be sure to ask for one! It's great being able to record your hours because, not only can we keep track of them, but it's helpful if you need that information for yourself.

### **Salvation Army Bell Ringing!**

Make sure to sign up for bell ringing!

We are currently in the lead for the youth challenge and we need to keep it up because CMH will put up some tough competition. There are still plenty of dates open to volunteer so register for the good times/spots now before CMH does. Remember that you can do it

as many times as you would like. The link to sign up is [www.waukeshasalvationarmy.org](http://www.waukeshasalvationarmy.org).

Also when signing up remember to put down Waukesha South Key Club under organization. You can ring bells with a friend and even get in some caroling! Sign up at

More information will be given on these events in our next meetings so make sure to look out for that!

### **Volunteering Pictures!**

We really need pictures of South Key Club volunteering so if any of you have or are willing to take some pictures at any volunteering event it would be greatly appreciated!

### **Individual Volunteer Opportunities!**

Assist with Bulk Mailings

Help Waukesha Health and Human Services with bulk mailing projects once a month. Volunteers will work as a team to stuff envelopes and ensure that all addresses are legible. Dates and times for the remaining year are Nov. 10 and Dec. 12 from 9 a.m. to noon.

Be an Animal Foster Home

Have a love for animals and space in your heart? Elmbrook Humane Society is in need of foster homes for a variety of animals. Foster homes are especially needed for kittens that need feeding and/or shy dogs that need socialization. Start up supplies, training, and support is provided by staff.

### Facilitator Assistant with Adult and Child Groups

Be the support staff to facilitators of adult parenting classes or co-facilitate children's classes at Parents Place. Help collect data in adult classes or assist in class management with children. Classes are held Monday thru Thursdays between 5 p.m. and 8 p.m.

### Supportive Companion Needed

Warm the hearts of residents living with or affected by HIV/AIDS at Richard's Place, a group home in Waukesha, by providing companionship. Visit, play games, make crafts, and go on walks with residents. If you have any free time and would like to meet new people, call today!
